<p>Family details: <i>(middle class/lower class/Upper class, No. family members/relation etc.,)</i> From a middle class family. She is married and having two children. One is in Anganwadies and other in UKG.</p>			
<p>Problem:</p> <ul style="list-style-type: none"> ➤ Due to the land issues her husband committed suicide and she lost her husband in 2016. ➤ Since then she is in mental depression. ➤ And also going through financial crisis with which livelihood with her two children became harder. 			
<p>Intervention:<i>(services provided at CCC etc.,)</i> With our motivation we made her to join in SCV Ross SHG. We have given her the skill training for tailoring and provided with a tailoring machine. We gave some financial supports for her family.</p>			
<p>Present status:<i>(after intervention) what change/motivated to recover</i> Now she is able to earn some income from the tailoring shop which she has started. She is teaching tailoring for others. She is also working as CHV in the Community Health Program. Now she joined in ANM course. Now she proudly says that, only with the help of SCV ROSS, she could regain her life mentally and financially. Now she is self-sufficient enough to look after her family.</p>			
<p>Follow-up: We are having a good contact with her. She is regular in the meetings.</p>			
<p>Conclusion/Learning: CHC and CHVS are happy that we could bring one more family to happiness.</p>
